

BELLA FIGURA

Burlington Gardens Chandelier - Small

CL120-SM

Collection Name

MAYFAIR COLLECTION

A very contemporary drum chandelier with a brass frame and two rows of clear or frosted Perspex tubes. This smaller version of one of our best selling designs now features a central rod supporting the chandelier to the ceiling and is only 25cm (9.8") in height, plus the central rod and ceiling rose, making it ideal for rooms with a slightly lower ceiling height

The dimensions of the central rod and ceiling rose are not included in the height measurements - standard rod length 25cm. The central rod can be ordered in any size up to 100cm (39") at not extra cost. This chandelier can also be made in bespoke dimensions - please contact us for further details. We recommend the use of LED bulbs with this chandelier for low energy consumption and long life.
