Aviary Ceiling Light

CL51-75

Collection Name

CANTERBURY COLLECTION

This original "Caged" Ceiling Light is our re-interpretation of a traditional Victorian bird aviary. Suspended on a metal rod, the frame charmingly encaptures a silk lampshade of your choice, which incorporates a lucite bottom diffuser. It is not only available in four hand painted finishes, but we also offer a choice of two metal textures - Smooth or Hammered. The Drum shade is included and can be ordered in any of our 280 silks and satins, whilst the central rod can be specified in any length. This versatile chandelier can also be ordered in custom sizes.
