Collection Name

**MODERN MURANO COLLECTION**

The Zeus Chandelier is part of our Modern Murano collection, a collection that revolutionises traditional design so that each piece is contemporary, while still possessing the beauty and timelessness of classic style. The Zeus chandelier is no exception to this; comprised of ribbed Murano glass and available in a number of metal finishes, this simple yet breath-taking ceiling light is an innovative re-working of one of our most popular classic products, the Zeus Wall Light. Now available in a single or double-tier design, this piece can be customised to fit into any space.
