## Quill Lamp

TL164-E

Collection Name

**CONTOUR COLLECTION**

Gently furrowed into the surface of the individually made porcelain bodies, a mark reminiscent of the score of a quill nib whirls around the circumference of these pleasingly organic objects of craftsmanship. The Quill lamps are wheel thrown in the UK from fine quality porcelain. Each piece is made to order and will vary slightly in form for an individually artistic character. These striking hand crafted table lamps are available in both a large or small version and come complete in a choice of two colour ways: Henna and Ink Blue. Due to unforeseen circumstances, we no longer able to order any more stock of these lamps. We have a limited number left in stock, which are now available with a special 50% discount whilst stocks last. Please contact us to check on the latest stock availability in each size and colour.
