

BELLA FIGURA

Hedron Lamp

TL332E

A geometric figure with a specified number of surfaces - the Hedron Lamp is surrounded in satisfying symmetry, which has been expertly sculptured from a perfectly formed digital model and cast into this small but mighty form. The Hedron table lamp has a substantial weight and can be finished in Russet - an oxidised rusted finish - or Sepia - our richly layered and hand painted finish which looks just like aged bronze.

Available Finishes

Resin
