Graal Lamp

TL230

Collection Name

CONTOUR COLLECTION

Suspended within layers of glass lies an energetic and gesturally carved pattern; the intricacies of which come alive when introduced to light. Wisps of clear glass peek through a blend of melting colours, drawing the gaze through the layers to a mesmerising play of movement. Entirely hand made in England with the complex Swedish "graal" technique, each piece takes up to six hours to create and will command centre stage in any room
