These Crepe Satin silk colours are available as standard for all Bella Figura's Laminated Shades. Please note that these are photographic reproductions of the actual colours. Whilst every care has been taken to make them as accurate as possible, they may vary slightly from the originals. If you require actual colour samples, please email us via our "CONTACT" page with your request for up to 5 free silk sample cuttings or click on the "Order Cutting" button on the individual colour page. Your samples will be despatched to you within 48 hours.
