Antique Mirror 10

AM010

Collection Name
VINTAGE COLLECTION

A sign of infinity and unity, the Greek key was one of the most important symbols in ancient Greek architecture. This piece from England, circa 1825, features a wonderful, repeating Greek key pattern along its edges with a concentric circle design in each corner of the antique white, carved wood frame. Perhaps due to the infinity symbolism on the frame, this piece also includes its original mirror plate in fantastic condition.
