# **BELLA FIGURA**

## **Aster Lamp**

#### **TL821E**

Collection Name

#### **VEGA COLLECTION**

Aster simply aims to encapsulate the raw purity of an asteroid, small and mighty. Done so in a stylistic approach which, replaces rocky textures with whirling folds, this smart and petite character is refined and easy to set down in your interior setting. Aster's smaller size and soft form makes it perfect for bedside areas and tighter spaces.
