BELLA FIGURA

Atacama Lamp

TL234

Collection Name
HALCYON COLLECTION

Atacama, Chile, is one of the driest areas in the world and within this remote desert lies beauty of ethereal quality. An extra-terrestrial landscape of pink birds and imposing, eerie pockets of water bubbling and jets of steam bursting into the sky. Most unusual of all is the vast white jigsaw spanning as far as the eye can see, the salt flats of Atacama. Our new design of the same name retraces the natural pattern scored through this salt mosaic in a delightful array of glass colours.
