BELLA FIGURA

# Brandt Table Lamp

## TL209

Collection Name
**MOONLIGHT COLLECTION**

The Brandt series throws us back into the Art Deco era with a sleek and confident design inspired by one of the most accomplished metalsmiths of the time, Edgar Brandt. The sweeping lines of the original motif are made current by simplification, creating this impressive and highly adaptable design, which gleams as the light falls upon its surface. The table lamp and floor lamp in this series are made with a solid glass base, in your choice of a statement Gloss Black or soft, ethereal Satin which echoes the celestial look which runs throughout the Moonlight collection.
