BELLA FIGURA

Brandt Wall Light

WL209

Collection Name
MOONLIGHT COLLECTION

The Brandt series throws us back into the Art Deco era with a sleek and confident design inspired by one of the most accomplished metalsmiths of the time, Edgar Brandt. The sweeping lines of the original motif are made current by simplification, creating this impressive and highly adaptable design, which gleams as the light falls upon its surface.

Required modifications for use on yachts - lacquer applied to all metal components.
