BELLA FIGURA

Catena Small Lamp

TL827-SM

Collection Name
MOONLIGHT COLLECTION

The Catena series is sculptural in form, crafted in smooth alabaster with satin and brushed bronze detailing. Each piece showcases a rhythmic, chain-like silhouette, a balance of strength and elegance. The name Catena, taken from the Latin for “chain” and used to describe crater chains on planetary surfaces, is reflected in the lamps’ distinctive linked form. The natural translucence of alabaster introduces a soft, atmospheric glow, while refined metalwork adds a contemporary finish. Designed as complementary pieces, the Catena lamps bring cohesion and quiet sophistication to any interior scheme, echoing both natural wonder and modern artistry.
