

# BELLA FIGURA

## Concave Drum Chandelier

**CL412**

Collection Name

**RETRO MURANO COLLECTION**

This drum chandelier with a concave centre is opulent and chic, captivating and dramatic. The craftsmanship of this piece draws attention and becomes a unique focal point within the room. Available in both clear and smoke glass, the two different finishes create contrasting looks and, despite being structurally identical, the smoke finish transforms the chandelier into something entirely different from its clear glass counterpart.
