Clair de Lune Floor Lamp

FL211

Collection Name

NEW PRODUCTS COLLECTION

In a first for the range, the Clair de Lune family has been carefully reimagined as a contemporary floor lamp. Standing at 1.5m tall, each piece is a pillar of frozen moonlight encapsulated in undulating waves of fused Murano glass plates. Hand-formed by our glass masters to emulate the everchanging nature of the celestial body it takes its namesake from, no two pieces are ever exactly the same.
