# Customer Own Material

## COM

We offer a Customer's Own Material (COM) option for clients wishing to specify their own material. In order to ensure the fabric is suitable for shade making, we require a swatch for testing as arranged with your sales advisor. All our shades hand-made to order in our workshop in England. Our silk is laminated to card to form a luxurious yet robust quality lampshade. A choice of 5 card lining colours in white, cream, silver, gold and champagne are available as standard, or a fabric lining for a surcharge. Colour co-ordinated frames also available. Please note all lengths listed are approximate and based on plain fabrics, please check with your sales advisor if your fabric has a pattern repeat.
