## Cypress Lamp

TL236

Collection Name  
**HALCYON COLLECTION**

The Giant Bald Cypress tree is of stalwart stature, rooted deep in the mangrove and keeping watch over an oasis of tranquility and stillness. The Cypress trees rotund form and complex root structure is emulated in our Cypress table lamp; an understated spherical piece with hand-carved glass furrows, acid dipped for an enchanting frosted look.

Required modifications for use on yachts - lacquer applied to all metal components, "sea rod" through centre to secure base to surfaces, with the cable exit through bottom of the base.
