BELLA FIGURA

Eyre Lamp

TL235

Collection Name **HALCYON COLLECTION**

Indigenously known as Kati-Thanda, Lake Eyre is usually cinder dry, the lakebed blanketed by a patchwork of tessellating salt segments, as reflected by the scalloped surface of our Eyre table lamp. Of the 5 new colourways, Blush Pink is of particular note - an emulation of the natural phenomenon which takes place when the lake is flooded, bringing a flourish of salt-loving algae and halobacterium who turn the waters a brilliant pink.

Required modifications for use on yachts - lacquer applied to all metal components, "sea rod" through centre to secure base to surfaces, with the cable exit through bottom of the base.
