Facet Chandelier Rectangular

CL550-RECT

Collection Name
MAYFAIR COLLECTION

The Facet Rectangular chandelier beautifully contrasts the Facet Round chandelier and can be used over breakfast bars and dining room tables. Available in 3 metal finishes, this chandelier can be adapted to suit any design while still encompassing the intertwining lines and small bubbles that are naturally formed within ice, captured within the ‘Dry Ice’ finish of the Murano glass. This new chandelier is part of the 'Facet collection' designed in collaboration with Laura Hammett Interiors
