Facet Lantern

CL551-LAN

Collection Name
MAYFAIR COLLECTION

This stunning Lantern is the perfect accompaniment to the Facet Round and the Facet Rectangular chandeliers. Crafted with the same ‘dry ice’ finish, the unique ceiling light emanates a soft calming light. Available in three metal finishes, the Facet lantern looks elegant on its own or in a group of three over a dining room table or kitchen island. This new design is part of the 'Facet collection' designed by Laura Hammett Interiors
