BELLA FIGURA

Halley Lamp

TL820E

Collection Name
VEGA COLLECTION

The Halley table lamp is a stylised impression of the most famous comet to grace our skies, Halley's comet. This comet is a rare thing to behold but with a famous reputation for its everlasting presence. To honour 'Halley' honestly was to create a design that would stand the test of time, something that answers to both traditional and modern tastes in one and is in effect timeless.
