VEGA COLLECTION

The 'Ice Pendant' serves as a captivating extension of the timeless Ice Cluster Chandelier, seamlessly blending elegance with modern aesthetics. This pendant light takes inspiration from the classic chandelier's design, infusing it with a contemporary twist. The term 'Ice' alludes to the fixture's crystalline allure, resembling the glistening formation of ice crystals. Just like its chandelier counterpart, the Ice Pendant features a clustered arrangement that exudes a sense of luxury and sophistication. With its dazzling crystal-like elements and radiant illumination, the Ice Pendant creates an enchanting focal point in any space, casting a mesmerizing play of light and shadow.
