BELLA FIGURA

Ice Pendant Cluser

CL800-PEN-3

Collection Name
VEGA COLLECTION

A reinvention of one of our classics, the Icicle chandelier, which returns with a twist. The glass pendants have been entirely remodelled and now these stalactite-esque droplets are suspended in swirling layers which install a sense of stillness and calm. This chandelier won its place in our Vega collection as its whirling form reminds us of vast rolling galaxies.
