Jewel Pendant

CL716

Collection Name
NEW PRODUCTS COLLECTION

An extension of its table lamp counterpart, the Jewel Pendant brings its quintessential gem-like form to the ceiling. Handcrafted by our glass masters, each piece is formed of thick Murano glass and polished to perfection for up to 12 hours. Small but bold, this design is best utilised hanging over bedside tables, above kitchen islands, nestled away in reading nooks or combined in a unique cluster pattern.
