BELLA FIGURA

Jupiter Pendant

CL808-LA

Collection Name
VEGA COLLECTION

Jupiter represents an authentic connection with the heavenly bodies which are granted the names of ancient deities and symbolize immense power and greatness. This showstopping alabaster pendant glows hypnotically in genuine likeness to the largest planet in our solar system, Jupiter. The options are endless with this series, we offer 2 standard sizes; both a generous open bottomed ceiling light which is truly spectacular and a dainty, miniature globe pendant which is enclosed at the base and can be styled as a single pendant or a cluster for big impact.
