

# BELLA FIGURA

## Lavalier Pendant Cluster

**CL378-5**

Collection Name

**HALCYON COLLECTION**

A little-known gesture of romantic engagement is the giving of a single jewelled pendant, a lavalier. Our inspiration for this piece evolved from the fabled Heart of the Ocean necklace, an enduring symbol of love, luxury and devotion. These delicate lead crystal pendants features a hand-cut unbroken line which echoes the reflections on flowing water.
