BELLA FIGURA

Lunar Oblong Chandelier

CL213-OB

Collection Name
MOONLIGHT COLLECTION

Inspired by the cyclical waxing and waning Moon phases, the Lunar range features alternating panels of transparent and opaque Murano glass with subtle brushed metal detailing. The Lunar Oblong Chandelier introduces a new oblong shape that maintains the slim profile of the rectangular version but combines with the soft, feminine curves the round version to provide increased versatility for rooms of all shapes and sizes.

The dimensions of the central supporting rod and ceiling rose are not included in the height measurements
The standard rod and ceiling rose is 50cm (20") high if not otherwise specified by the customer
This design can be made in custom sizes

Please Note: Our chandeliers are not supplied with ceiling hooks. The ceiling rose, chain and rod specification will differ dependent on the weight of the chandelier. A qualified electrician must assess your ceiling structure and advise on the right fitting.
