Nimbus Chandelier

CL630

Collection Name

NEW PRODUCTS COLLECTION

Taken from the Latin word for rain, Nimbus gets its namesake from the ever-shifting form of clouds that darken our sky on rainy days. Drawing inspiration from the retro Italian style of the mid-century, the Nimbus Chandelier features a sculptural structure of glass tiles arranged in tiers with a matching glass diffuser beneath. Handcrafted in Murano, each piece of glass is infused with a unique pattern of swirling white wisps and one-sided frosting; leaving a glossy finish on the outside while gently diffusing the light glowing from within.

The dimensions of the central rod and ceiling rose are not included in the height measurements.

The standard rod and ceiling rose height is 50cm (20") if not otherwise specified by customer.

Minimum standard rod height is 15cm and maximum is 100cm. Please enquire for heights exceeding 100cm.

Please Note: Our chandeliers are not supplied with ceiling hooks. The ceiling rose, chain and rod specification will differ dependent on the weight of the chandelier. A qualified electrician must assess your ceiling structure and advise on the right fitting.
