BELLA FIGURA

Pimlico Chandelier

CL108

Collection Name
MAYFAIR COLLECTION

The latest addition to join our Mayfair collection, the Pimlico chandelier is inspired by brutalist designs from the 1970s. This stylish design is a more structured take on our very popular Battersea chandelier. It is constructed from a straight cut series of either clear or frosted Lucite rods with brass tubes which can be finished in either a stippled gold or stippled bronze finish to offer a more distressed look to the design. This chandelier is finished with a frosted diffuser and a central base.
