BELLA FIGURA

Rene Chandelier

CL214-125

Collection Name
MOONLIGHT COLLECTION

A look at Art Deco design would be incomplete without considering the work of René Lalique, but his superb glass art could not escape our notice. The René chandelier is our response to the floral motifs and satinised surface seen on several of his iconic sculptures. The stylised leaf impressions are suspended on a slim oval frame which makes it the ideal feature for dining areas.
