BELLA FIGURA

Ruffle Chandelier

CL207-LA

Collection Name
MOONLIGHT COLLECTION

Encircled by flirtatious ruffles, the larger of this design family exudes a sultry air and playful elegance. The gentle charm of the curvy glass plates was informed by ladies' fashions of the Twenties where draped fabrics and fluttery hemlines became popular. They were feminine and romantic, a style which blends in perfect harmony with our frosted glass to create a delicate, ethereal glow like moonlight.
