## Spectre Wall Light

WL850

Collection Name  
**ANIMA COLLECTION**

A vision of fluidity and light, the Spectre Wall Light evokes the ethereal beauty of flowing fabric, frozen in time through hand-sculpted glass. Its organic form diffuses a soft, ambient glow, casting delicate shadows that shift with the changing light. Hand-sculpted from delicate glass, each piece appears to shift and flow, diffusing illumination in a way that feels both organic and weightless. Designed to bring depth and artistry to interiors, Spectre transforms walls into luminous sculptures, striking the perfect balance between subtle elegance and bold statement.
