

# BELLA FIGURA

## Stellar Lamp

TL819

Collection Name

**VEGA COLLECTION**

We mark the song of the stars with the Stellar table lamp- a symphony of stellar sound waves comprised of the deep bass voices of larger stars and the higher pitches of the smaller stars. But this is a private concert, silent to the human ear and that we must translate through their waves, a pattern visually represented by this silhouette.

### Compatible with

Express

Yacht Club
