Storm Pendant

CL855-PEN

Collection Name

ANIMA COLLECTION

Our Storm Pendant captures the natural beauty of swirling patterns and organic textures, inspired by the dynamic movement of white-water rapids and powerful storms. Each glass globe is individually hand-blown, creating a unique marbled effect that mirrors the energy and motion of a storm. Suspended from a finely detailed metal collar with swirling textures, the Storm Pendant blends bold design with timeless elegance. Its dramatic aesthetic brings artistry and sophistication.

The dimensions of the central rod and ceiling rose are not included in the height measurements.

The standard rod and ceiling rose height is 50cm (20") if not otherwise specified by customer.

Minimum standard rod height is 20cm and maximum is 100cm. Please enquire for heights exceeding 100cm.

Please Note: Our chandeliers are not supplied with ceiling hooks. The ceiling rose, chain and rod specification will differ dependent on the weight of the chandelier. A qualified electrician must assess your ceiling structure and advise on the right fitting.

CLEANING NOTE - We recommend occasionally applying a light layer of beeswax polish to the metal collar to prevent natural patination. Do not use any cleaning agents or brass polishes on the waxed piece. If required, wipe gently with a damp cloth to clean.
