Lilium Lamp

TL161E

Collection Name
CANTERBURY COLLECTION

A nod to nature with this ceramic creation. The inspiration for the Lilium lamp lies among the undulating seed pods of the members of the Lilium flower genus. A curious and eccentric character this table lamp is sure to capture your attention with its flamboyant shape cloaked in an understated off-white, matte glaze. Best suited to the purity of our new Grey Marl colourway, we only offer this lamp in one, stand-out finish.
