## Villanova 2 Chandelier

**CL456**

Collection Name

**RETRO MURANO COLLECTION**

A beautiful new version of our best selling Villanova chandelier. This new version has exactly the same dimensions, but it is decorated with twice the number of our much smaller new round cut Murano glass drops in a hammered finish. This gives it a very contemporary look.

Because of it's modest height of only 33cm (13") in all sizes, it is ideal for use in rooms with slightly lower ceiling heights.
