

BELLA FIGURA

Dahlia Wall Light

WL461-6

Collection Name

RETRO MURANO COLLECTION

The perfect match for our Dahlia chandelier, combining modernity with classic design and elegance, the new Dahlia wall light is a more contemporary take on its predecessor the Petal wall light. Inspired by the delicate petals that adorn the opulent Dahlia flower, each piece of glass hangs beautifully from the ceiling frame in either smoke or satin Murano glass.

Required modifications for use on yachts - lacquer applied to all metal components, double screw fastenings instead of hooks, and slightly increased spacing between glass petals.
