Lotus Wall Light

WL64

Collection Name

HALCYON COLLECTION

According to Greek legend, the lotus yields fruit that leaves its consumer lost in reverie and contented musing. It has also long been a symbol of peace and purity around the globe. Such associations have lent it a divine energy and an otherworldly quality which we hope to emulate. The shield-like petals of this design are set apart, allowing a soft glow to frame each one. The brass plates are accented by hand-carved lucite petals which gently refract the light. This pairing exudes beauty, grace and glamour.
